TOILET ROUTINE/HOME PREP

17:00-17:30
FREE PLAY/TIDY UP TIME

17:30-18:00
MOVIES/SCHOOL CLOSES

Our Curriculum

Here at Kim's Kids Academy we are constantly making sure that our pupils are up to date with the latest and greatest curriculums available, our curriculum books are used in a variety of levels in all our age groups. However, we have a, 'learn through play', approach and we believe that children learn more whilst they play, than at any other time of the day.

It's not "just play"

Play is an essential part of early learning. It is the lifeblood of the learning process. As children play they are developing the cognitive, socio-emotional and physical skills they will need to take them into a successful adulthood.

They are developing their curiosity, problem solving, intentionality, flexibility, and verbal and non-verbal skills.

Socially and emotionally they are developing their emotional intelligence learning confidence, co-operation, negotiation, sharing, empathy and how to communicate appropriately.

Physically their fine motor and gross motor skills are being practised and developed.

Each class uses the Letterland System and the degree of depth is adjusted to each of the class's ability.

When it comes to our class workbooks, in conjunction with our own Kim's Kids advanced system, we use an exceptional curriculum that is a mixture of **ABEKA, REGGIO EMILIA AND OUR OWN CURRICULUM THAT FOCUSES ON SENSORY DEVELOPMENT AND LEARN THROUGH PLAY.**

As we are a Christian school, all our Themes are paired with biblical teachings for an overall learning experience. You will find more info on in our January calendar included in the Welcome pack. We have monthly prayer meetings for parents and Praise and worship for our children, daily.
